

NonProfit Support Checklist

To further support and to help increase awareness of **your favorite nonprofit** in our collaborative networks and to provide much needed goodwill to the leaders in our community, we have developed this easy checklist:

Follow & Share Content On Social Media.

Pick at least 1 platform & pledge to continually share & comment on your organization's postings. Be sure to tag **NonProfitConnect (NPC)** and we will help spread the word on our pages on the platforms below:

Invite Friends to Advocate & Support.

Share postings by tagging friends on social media and by **creating your own posts** with a heartfelt testimonial or quote supporting your favorite organization's mission and values.

Reach Out to Your NonProfit Leaders.

These are tough times and the nonprofit sector is getting hit hard from many directions. Now is a great time to **show your nonprofit leaders some love** and send them a positive message, bring them a treat, or just connect with them to make sure they are ok, knowing they have your support will mean the world to them!

Contribute To An Online Fundraiser.

Many nonprofits are losing critical funding due to all the cuts happening with the federal government. Several organizations need to raise between 20 and 40% of their annual budget through new means. **Every dollar matters** so if you can also help support your favorite nonprofit now, it will be incredibly appreciated!

Become A Board Member.

It's a great time to **join a board!** You can take NPC's **BoardConnect** course to learn how to become an excellent board member!
